**CULTURAL AWARENESS + INCLUSION + WORLD MUSIC**

*"I watched a very large group of strangers develop into a truly engaged community with the use of very little words. This is the first time I attended a conference of this caliber."  
-Conference plenary participant*

## **Funkadesi wants to work with you!**

Award-winning Funkadesi has been rocking Chicago and the nation for over 20 years! We are multi-ethnic, fuse music from across the globe and we are healers, educators and advocates. Our music and workshops address leadership, inclusion, social justice and healing.

We are passionate about experiential learning, growing and co-creating with schools, non-profits, corporate teams, universities, community agencies, families and more.

Contact us with your ideas – we'll build something together!
